

New Breakthrough Marketing Technology For 2009!

Got A Website? Our Web-To-Phone Technology Will Quickly, Deliver Your 20 Word Ads To The Cell Phones Of Over 135,000 People, Dirt Cheap! All These People Opted-In To Receive These Text Messages And Are Eagerly Waiting To Buy From YOU!!

Be **First** To Use This Brand New Marketing Technique While It's Still Brand New, Effective, And Before Your Competition Finds Out! Text message marketing is delivered directly to the consumers cell phones, and is an **incredibly fast, low cost, and effective** way to reach a hungry virgin market with your opportunity offers!

We use SMS which is a text-based "Short Messaging Service" that allows mobile phones to support packet-based text messaging. While we can't send economically or practically to all 2.5 billion cell phones on the planet, we have amassed over **135,000 opt-in's** and that's a pretty hefty number for a new service like ours!

Big corporations have been using this type of super targeted marketing for the last few years to increase their revenues to record levels! Only they could afford to shell out the big bucks required to have these type of software programs developed and maintained for them, leaving the 'little guys' out of the game... until now! ***This is the entrepreneurs newest and quite possibly most effective way to drive sales today!...***

Your advert will be converted by our system into a text message and will be sent, via our service to all of the cell phones that you choose within our choice of targeted categories. If you like, you can send to all the categories at once. Your ad will appear as a text message on their cell phones from between 30 minutes to 6 hours depending on air traffic and other factors.

We have gone to great length to obtain 135,000+ cell phone numbers from people who actually want to receive text messages from people offering products and services for sale in many categories. The options are endless as you can advertise almost anything you like. The beauty of our system is that your ad is **100% guaranteed to be seen by everyone who receives your message!**

We Send To These Carriers & We Add More Numbers Every Month: • Alltel® • Cingular® • T-Mobile® • AT&T Wireless® • Nextel® • Cellular One® • Virgin Mobile® • Boost Mobile® • Sprint PCS® • MCI® • Qwest® • Verizon®

Our goal is to continually add more and more phone numbers to the database to improve your visibility over time. We are on the forefront by being one of the first, if not the first, to offer this type of advertising for a price so affordable that anyone can utilize it.

Whether you are a marketing professional or a newcomer, ***IT PAYS*** to try new things to get your message out and our program is undoubtedly the **newest** concept to come along in a very long time. We believe our service will open new doors not before available to internet marketing for the masses! So go ahead, give it a try, at these low prices you really can't afford not to... just imagine the possibilities! ***ACT NOW!***

I'd be crazy not to try it! I want to experience the results this new amazing Web-To-Phone technology can potentially bring my business! I understand I'll receive a confirmation copy(s) in the mail after ad text completion + dealership for this service! **Only \$20 per category per text ad campaign.** Maximum 20 words including website address. Ads texted within 24 hours.
